Project No. 18KFG2234611

Neutrik AG
Im alten Riet 143
9494 Schaan
Lichtenstein

Subject:

Investigation regarding mandatory certification in China within the bounds of Chinese Compulsory Certification (CCC)

Products:

- 1.) XLR Cable Connectors; XLR Chassis Connectors
- 2.) SpeakON Cable Connectors, speakON Chassis Connectors
- 3.) powerCON TRUE 1 TOP; powerCON 20A; powerCON 32A; powerCON TRUE1
- 4.) Dante Interface: NA2-IO-DLINE; NRP1RU-2A; NA-MB-KIT
- 5.) XIRIUM PRO

Customs HS- Codes:

85366953; 85176200

During the verification of the market we have found that:

1. First Catalogue of Products Subject to Compulsory Certification (AQSIQ/CNCA):
 - The above mentioned product is not categorized in the list of products subject to compulsory certification.
2. Testing Standards:
 - There are no applicable standards in China for the above mentioned connectors
3. Customs HS-Code:
 - A comparison with the latest catalogue of custom tariff codes for the products subject to compulsory certification, published on 11, 2018 by AQSIQ/CNCA, has shown that the above mentioned code is not contained in the list.

This letter issued by Intertek has no official status in China and is provided for product clarification purposes only. Intertek accepts no responsibility for the acceptance of these products in China and cannot be held liable for any actions related to the certification or compliance of said products.

Changes, concerning the obligatory certification can be announced at any time by Chinese Authority.
